

WHY US?

A Full Range of Protection: Our comprehensive coverage includes (but is not limited to): accidental breakage, burglary, fire, flood (except in zones A & V), loss in the mail, theft, natural disasters, and other causes of loss unless specifically excluded from the policy.

More Affordable Rates: Typically, your customer will pay less than it would cost to schedule the same items under a homeowners policy.

Less Paperwork and Red Tape: Unlike homeowners insurance, we do not require a schedule or appraisal for most items; however, your customer is responsible for maintaining their own inventory for insurance purposes (in the event of loss). The only exceptions are individual items or sets valued at \$25,000 or more, which would have to be scheduled.

Proven and Trusted: We have been protecting collections since 1966. And all coverage is provided by a carrier rated "A" by A. M. Best—the leading rating agency for the entire insurance industry.

We Provide Coverage for Dealers, Too: If your customers also want to protect their dealer inventory and their clients' collections, for which they are responsible, we also offer special dealers insurance.

Superior Customer Service: Our company was started by collectors so it's only natural that we would pay attention to your customer's interests and needs. And that our customer service would always be geared to the collector's point of view. With us, it's personal.
