Why Us?

A full range of protection
Comprehensive coverage includes (but is not limited to): accidental breakage, burglary, fire, flood (except in zones A & V), loss during shipping or in the mail (if coverage elected), loss while traveling or attending shows, theft, natural disasters, and other causes of loss unless specifically excluded from the policy.

Less paperwork and red tape
We do not require a schedule or appraisal for items in your inventory; however, you are responsible for maintaining your own inventory for insurance purposes (in the event of loss).

We’re proven and trusted
We have been protecting inventory since 1966 and all coverage is provided by a carrier with a group rating of “A” (Excellent) by AM Best, the leading rating agency for the insurance industry.

Superior customer service
Our company was started by collectors, so it’s only natural that we would pay attention to your interests and needs. With us, it’s personal.

Prompt and personal claims service
As experienced specialists in collectibles, our adjusters understand their value and importance to you. That’s why, should you have a claim, they make every effort to make sure it is settled as quickly and completely as possible.

We provide coverage for collectors, too
Typically, if you can collect it, we can help insure it. We’ve been providing a full range of protection for collections of all kinds for more than 50 years.
