# Why Us?

#### A full range of protection

Comprehensive coverage includes (but is not limited to): accidental breakage, burglary, fire, flood (except in zones A & V), loss during shipping or in the mail (if coverage elected), loss while traveling or attending shows, theft, natural disasters, and other causes of loss unless specifically excluded from the policy.

# Less paperwork and red tape

We do not require a schedule or appraisal for items in your inventory; however, you are responsible for maintaining your own inventory for insurance purposes (in the event of loss).

## We're proven and trusted

We have been protecting inventory since 1966 and all coverage is provided by a carrier with a group rating of "A" (Excellent) by AM Best, the leading rating agency for the insurance industry.

#### Superior customer service

Our company was started by collectors, so it's only natural that we would pay attention to your interests and needs. With us, it's personal.

## Prompt and personal claims service

As experienced specialists in collectibles, our adjusters understand their value and importance to you. That's why, should you have a claim, they make every effort to make sure it is settled as quickly and completely as possible.

# We provide coverage for collectors, too

Typically, if you can collect it, we can help insure it. We've been providing a full range of protection for collections of all kinds for more than 50 years.
