Why Us?

The coverage is out of this world
Comprehensive coverage includes (but is not limited to): accidental breakage, burglary, fire, flood (except in zones A & V), loss in the mail, theft, natural disasters, and other causes of loss unless specifically excluded from the policy.

More affordable rates
Typically, you will pay less than it would cost to schedule the same items under a homeowners policy.

Less paperwork and red tape
Unlike homeowners insurance, we do not require a schedule or appraisal for most items; however, you are responsible for maintaining your own inventory for insurance purposes (in the event of loss). Individual items or sets valued at $25,000 or more must be scheduled.

We’re proven and trusted
We have been protecting collections since 1966 and all coverage is provided by a carrier with a group rating of “A” (Excellent) by AM Best, the leading rating agency for the insurance industry.

We provide coverage for dealers, too
If you want to protect your dealer inventory and your clients’ collections, for which you are responsible, we also offer special dealers insurance.

Superior customer service
Our company was started by collectors, so it’s only natural that we would pay attention to your interests and needs. And that our customer service would always be geared to the collector’s point of view. With us, it’s personal.
