## Why Us?

### ✓ A full range of protection

Comprehensive coverage includes (but is not limited to): accidental breakage, burglary, fire, flood (except in zones A & V), loss during shipping or in the mail (if coverage elected), loss while traveling or attending shows, theft, natural disasters, and other causes of loss unless specifically excluded from the policy.

### ✓ Less paperwork and red tape

We do not require a schedule or appraisal for items in your inventory; however, you are responsible for maintaining your own inventory for insurance purposes (in the event of loss).

### ✓ We're proven and trusted

We have been protecting inventory since 1966, with all coverage provided by a carrier rated "A" (Excellent) by AM Best, the leading rating agency for the insurance industry.

### ✓ Superior customer service

Our company was founded by collectors, so we naturally prioritize your interests and needs. With us, it's personal.

### ✓ Prompt and personal claims service

As experienced specialists in collectibles, our adjusters understand their value and importance to you. That's why, should you have a claim, they make every effort to make sure it is settled as quickly and completely as possible.

### ✓ We provide coverage for collectors, too

Typically, if you can collect it, we can help insure it. We've been providing a full range of protection for collections of all kinds for more than 50 years.
