

Why Us?

A full range of protection

Comprehensive coverage includes (but is not limited to): accidental breakage, burglary, fire, flood (except in zones A & V), loss during shipping or in the mail (if coverage elected), loss while traveling or attending shows, theft, natural disasters, and other causes of loss unless specifically excluded from the policy.

Less paperwork and red tape

We do not require a schedule or appraisal for items in your customer's inventory; however, they are responsible for maintaining their own inventory for insurance purposes (in the event of loss).

We're proven and trusted

We have been protecting inventory since 1966 and all coverage is provided by a carrier with a group rating of "A" (Excellent) by AM Best, the leading rating agency for the insurance industry.

Superior customer service

Our company was started by collectors, so it's only natural that we would pay attention to your customer's interests and needs. With us, it's personal.

Prompt and personal claims service

As experienced specialists in collectibles, our adjusters understand their value and importance to your customers. That's why, should your customer have a claim, they make every effort to make sure it is settled as quickly and completely as possible.

We provide coverage for collectors, too

Typically, if your customer can collect it, we can help insure it. We've been providing a full range of protection for collections of all kinds for more than 50 years.
